**MEETING MINUTES OF
APRIL 10, 2007**

PRESENT: Paul King, Peter Buono, Ray Eaton, Wendy Clark, Dick Butt and Paul Marsh, Fred Ventresco and Bill Stafford

GUEST: None

Chief Begin was excused from this meeting.

Meeting called to order by Vice Chair Paul King @ 0900

The past minutes were discussed. Peter will resend the minutes from August 06 to November 06 for the CCC to review for the next meeting.

Paul King updated the CCC on the April 14th drill in Concord. The CERTs from Weare will be victims in the drill. Paul felt this would be best because they will move through all of the stations and be able to see how all of the stations are run rather than being assigned to one station.

Paul King looked into the safe boating class and is waiting to hear back from the state. Paul King reported that the two generators that were donated by Jim Dow have been accepted by the BOS and are stored at the Town Garage. One of these generators is available for the fire department to use and both will be maintained by the Highway Department.

The March 13, 2007 minutes were reviewed. A motion was made by Paul King to accept and was seconded by Bill. All in favor, motion passed.

Peter updated the CCC on CERT. We had a one resident who came to a meeting and is interested in becoming a member. The application paper work was given. Peter asked the CCC what they thought about the CERT having an auxiliary CERT. The purpose would be to hold fund raisers in order to purchase equipment when the funds are not available from the state. Some discussion on this mentioned that the CERT would no longer have to get permission from the CCC to purchase equipment. Peter and Paul Marsh both explained that this was not the case. The CERT would still follow the guidelines for acquiring equipment; the only change would be that if the funds were not available from the State the CERT would ask the auxiliary for the funds or to raise them.

Peter also mentioned that the auxiliary would be a 501 c 3. The purpose of this would be so that those who donated would be able to claim it on taxes. More discussion on this issue will follow at the next meeting.

The next meeting will be May 8th.

Motion to adjourn made by Heleen and seconded by Bill. All were in favor. Meeting adjourned at 0930.

Respectfully submitted,

Peter Buono
